

ARANZ CONFERENCE 2018

Nga Taonga Tuku Iho 2018: A conference on Māori Archives and Records

Join us for Nga Taonga Tuku Iho 2018: A conference on Māori Archives and Records, August 22nd (Wednesday) - 24th (Friday), 2018.

The theme of the conference is: Maori archives and records. This theme and kaupapa allows for an exploration of the discovery, preservation, description, record keeping, interconnectedness and meaning of Māori records, archives and taonga. The 2018 conference looks to explore opportunities for researchers, communities and organisations to collaborate in the guardianship of knowledge, facilitate researcher engagement and help safeguard our collective past in perpetuity.
