Agenda Item	Discussion and Actions
<b>1. Events</b>	<p>Audrey: No response from 2x interns for the ARANZ lunchtime talks so need new ideas for speakers.</p> <p>Move to shift to the April session instead of March due to COVID and closures. Concern that this is not the right time to have a session, strains on capacity for day to day work with COVID.</p> <p>ACTION: Ashwinee to contact Evan about changes to our sessions and see if we can do a session in the last week of April.</p> <p>Talk idea: COVID impact on public facing roles for libraries and archives, and service delivery, e.g. research services, outreach. We can prepare a list of questions for libraries/archives to see what the impact of COVID and protests have been? No requirement for slides/presentation. Reading room and outreach services impacts (Joan) Sean M to touch on reading room adapted hours/services. Vic Library (supplying books to halls of residence for students with COVID).</p> <p>ACTION; Alison to email vic librarians. ACTION: Audrey will contact Joan Matt ACTION: Kristina will contact Sean</p> <p>Future sessions:</p> <ul style="list-style-type: none"><li>• Wellington City Archives or Police Museum.</li><li>• Potential to show a recorded NDF talk instead of someone creating a presentation for our sessions.</li><li>• Possibility to have PhD researchers present their sessions (draw on a range of universities).</li></ul>
